

IMPORTANT SOAR DATES

As part of building a better environment at WB Jr./Sr. High School we have been teaching our students to SOAR (Support each other, Own your behavior, Achieve at your best, & Respect all). As part of this initiative, our entire student body is scheduled with their advisory group to take part in a Community Service Project. Each Advisor has an assignment within our community for their group to volunteer.

Our Community Service Projects for each advisory group are scheduled!!

To do this, we have found we have to dodge several other important dates on the calendar, such as ITED's, in-service time, away game travel times & etc. Miraculously, we have found a way to work around all of these. However, to do so it means we need to go sooner than later~ We apologize for the late notice but think this will be a wonderful opportunity for all!

The Community Service Dates for SOAR advisory groups are as follows:

These places are: Hope Haven, Hopefully Yours (replaces The Salvation Army), Klein's, The Animal Shelter, & The Public Library.

Group 1: Monday, January 30th: Fitzgibbon, Levinson, V. Reed, J. Snodgrass, & Darnall

Group 2: Wednesday, February 1st: Bates, Melnicoff, Schnellbacher, Moffitt, Mohr

Group 3: Monday, February 6th: Eveleth, Gurius, Moad, Thompson, Doherty

Group 4: Wednesday, February 8th: Martin, Housel, C. Reed, Brueck, Robinson

Group 5: Monday, February 13th: King/Adams, Smith, Wilkins, Ferrell, Redlinger

We will be leaving school and boarding the busses at 1:00 and being picked up around 3:00 to be back by 3:15 or so each day.

*Animal Shelter Groups **MUST** have parent/guardian sign & return a waiver allowing you to work with the animals prior to leaving! (A paper copy will be sent home as well as a link can be found on our schools web page under SOAR Community Service Project).

Any 9th/10th graders whose advisory group is going each day will need to be dismissed from Rapp at 12:40 to head to lunch a few minutes early so they will be ready to leave at 1:00 (this should only be about 15 students each date).
